

Capítulo 11

Don Silvestre and his lawyer, Manchado, speak about the validity of the will. Silvestre makes clear to him that if he doesn't find some way to invalidate the will in court, Silvestre will no longer be able to pay him so handsomely. After the lawyer's departure, Silvestre tells his bodyguards to make sure that Jamie returns to the U.S. soon and sends them to the Linares' to steal her copy of the will. He then reveals a hidden portrait of La Catrina. He declares that he will not give up what "rightfully" belongs to him. Paco, his son, is outside listening to his father. In scene two, Felipe and María have their date. They decide to rent a video and at the store, Felipe learns that in México, the videos are subtitled, rather than dubbed. They rent a science fiction movie and return to María's house to watch it. After the video, the two discuss the future and the possibility of their being together. Later that evening, María and Jamie discuss their dates. Suddenly, a noise comes from the dining room. The girls run downstairs, but the thief escapes, without having found the will.
